

FACE THE MUSIC

TIMES HAVE CHANGED.
NOW BENEFIT DELIVERY HAS TOO!

Streamline benefit delivery with **My Benefits Work™**, the new mobile app and web portal for your employee benefit program.

BENEFIT ACCESS

Employees can access all their benefits with the touch of a button, anytime, anywhere – hitting the high note for benefit utilization

EMPLOYEE ENGAGEMENT

Employees are tuned in to their benefits – and more likely to use them – with custom push notifications, interactive provider maps, and quick links to important benefit actions

ARTIFICIAL INTELLIGENCE

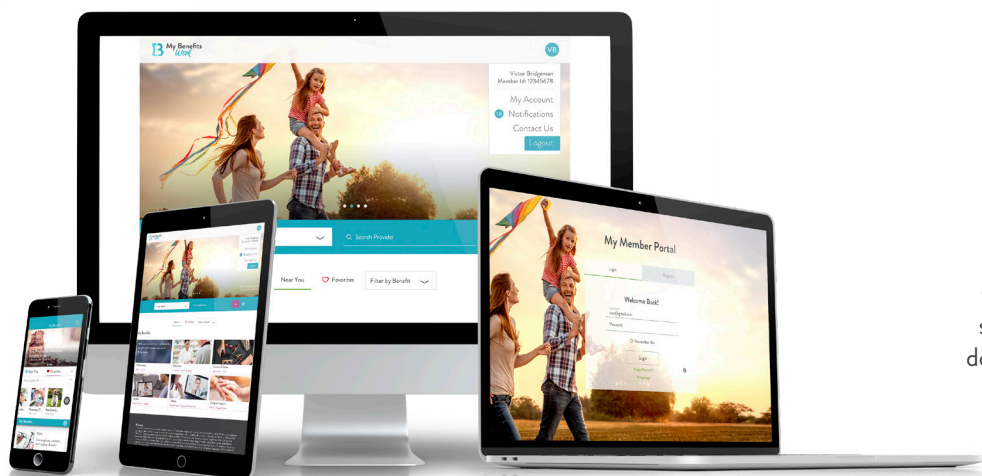

Employees get on-demand information and support from BEN, the Artificial Intelligence-enabled Benefit Expert Navigator, without skipping a beat

Hi there! I'm BEN

EMPLOYEE SUPPORT

My Benefits Work™ is the all-in-one instrument for employee benefit support: when employees need assistance, they can chat with BEN, call member support, or review instruction guides and videos

Employer Flyer

My Benefits
Work

Give employees the benefits they love, now streaming with My Benefits Work. They can download My Benefits Work on the App Store and Google™ play.
